DETAILED ACTION

Election/Restrictions

1. Applicant's request for rejoinder of claims withdrawn from consideration directed to an invention non-elected has been considered but is not persuasive. In order to be eligible for rejoinder, a claim to a non-elected invention must commensurate in scope with the allowable claim. A withdrawn claim that does not commensurate in scope with the allowable claim will not be rejoined.

Claims 2-12, 15-31 do not commensurate in scope with allowable invention of claim

1. The compositions of claim 2-12, 28-30 and the dosage unit of claims 15-27, 31 do not commensurate in scope with compound of claim 1.

2. This application is in condition for allowance except for the presence of claims 2-31 directed to an invention non-elected with traverse in the reply filed on 4 August 2005.

Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.
